

Activity report of 2019 – 20

1. Workshop of “Piramal foundation educational leadership”

College placement cell organized a CHARCHAMANCH with Piramal foundation group which is committed towards improving educational leadership and women & youth empowerment. The foundation is working in partnership with NITI Ayog. On 24/09/2019 Ms. Swati Patani, PIRAMAL foundation U.P. head and her team member Nisha Verma came to our college campus and addressed the students. She explained about the Gandhi fellowship which is a stipend fellowship given to P.G. final year students for two years along with the internship after which they provide the placement facility along with other useful information. The core purpose of this foundation is to inculcate socio – entrepreneurial skills among students. The event was organized by Dr. Vinita Mishra (Placement Officer) and team and around 140 students took part. The event concluded on a high note with a motivating speech by Principal,

Prof. Lalima Singh

2. Career advancement Boot camp in collaboration with Medha Foundation

Medha delivers employability programs which enhances career opportunities for youth, helping them set career goals, hone their skills and take their education to employment. College placement cell officer Dr. Vinita Mishra organized a 30 hours long CAREER BOOT CAMP, a training program which enables students with skills like public speaking, teamwork, group discussion, leadership, resume writing, group presentation, future planning, interview preparation, work place etiquette along with industrial talks to develop a better vision. Around 40 students of B.A. and B.Com. were benefitted with the program.
