

## Sadanal Sanwaldas Khanna Mahila Mahavidyalay, Prayagraj

Constituent College of University of Allahabad

Accredited Grade 'A' by NAAC with 3.09 CGPA

Selected Under Strengthening Component of Star College Scheme : DBT

College With Potential for Excellence, Phase II, UGC

# College with Potential for Excellence, Phase II, SSK ( Report 2021-22)

*“Excellence in thinking and action is the foundation for any mission. Excellence is not by accident. It is a process, where an individual or organization or nation continuously strives to better oneself.”*

- Dr. A.P.J. Abdul Kalam

It is a matter of immense pride that the Institution was awarded the status of College with Potential for Excellence (CPE) Phase-II by UGC for the period 2017-2022 and sanctioned a grant of Rs.1,20,00,000. This bears testimony to the outstanding achievements of the College in academics, extension, and research activities and its due recognition by the UGC. With this financial assistance, the College has been able to tread the path of progress and realize its potential. The Institution has been awarded “A” grade by NAAC in 2021. We express our commitment to grow, develop and attain the pinnacle of glory and excellence in promoting the cause of women's education and empowerment.

### Gratitude to UGC

We extend our gratitude to the honorable members of the UGC-CPE Scheme, who were able to identify the potential for excellence in our College and selected us for the financial grant under the scheme. We are thankful to the UGC for making the funds available to the College within the scheme period and facilitating the realization of the proposed programs and activities. Our sincere gratitude to the nominated members of the UGC in the Advisory Committee for their unqualified support, cooperation, and guidance in the planning and implementation of various activities and expenditure of grant in the manner prescribed by the UGC

### Inside this issue:

*Teacher Enrichment* 3-5

*Extension Activities - (Environmental Awareness & Personality Development)* 6-27

*FDP on Publication Ethics* 28-33

*Short Summary of activities taken (CPE Phase II)* 34-39

*Expenditure Details* 40-43

*Glimpes of Advisory Meeting* 43-44

### From Principal's Desk:

In the words of A.P.J Abdul Kalam “If four things are followed- having a great aim, acquiring knowledge, hard work, and perseverance- then anything can be achieved”. With the aim of diversifying our College's personality and making the optimum use of the opportunity given by UGC under the scheme, we began the journey of CPE Phase II (2017-2022). The financial assistance provided under the scheme helped us to enrich our labs and library, conduct academic activities, programs and tours that enabled the students to avail of the best of learning experience and let the teachers attain professional growth.

I appreciate the hard work and perseverance of the members of the College UGC Committee in successfully planning, organising and conducting activities as specified by the UGC and as suggested by the UGC nominated External Experts in the Advisory Meetings. I wish the team good luck in the efforts for moving towards the status of Excellence.

— **Professor Lalima Singh**

## **UGC, Advisory Committee, CPE, SSKGDC**

### **Nominated Members by UGC**

- **Dr. M. L. Nath**  
Director, Institute for Excellence in Higher Education (CPE), Bhopal,
- **Professor Namita Singh**  
Department of Bio & Nano Technology, Guru Jambheshwar University of Science & Technology, Hisar,
- **Principal : Professor Lalima Singh**  
Sadanlal Sanwaldas Khanna Mahila Mahavidyalaya, Prayagraj

### **College Members of the CPE Committee:**

- Dr. Meenu Agrawal, Associate Professor, Department of Ancient History, Culture & Archaeology, Sadanlal Sanwaldas Khanna Mahila Mahavidyalaya, Prayagraj
- Dr. Manjari Shukla (Co-ordinator, IQAC), Associate Professor, Department of Philosophy, Sadanlal Sanwaldas Khanna Mahila Mahavidyalaya, Prayagraj
- Dr. Nishi Seth, Assistant Professor, Department of Ancient History, Culture & Archaeology, Sadanlal Sanwaldas Khanna Mahila Mahavidyalaya, Prayagraj

## **Orientation program on Resume, Effective Interview Technique and Confidence**

**Resource Person: Mr. Vibhava Bajpai Director HP4 Allahabad**

**From February 2022 to March 2022**

**30 contact Periods of one hour each, No. of Students 198**

The necessity of an **Orientation programme on Soft Skills, Campus Interviews & Personality Enhancement** is quite evident, as it is generally seen that the degrees and diplomas fall short of providing the students with good jobs even at the start-up level due to lack of soft skills and professional grooming. Keeping in view the above mentioned fact it is imperative that the students be imparted effective theoretical and practical training on **'Soft Skills, Interviews and Personality Grooming'**. This besides enhancing the employability of the students would further enhance the potential of an Institution to reach higher realms of excellence. In furtherance of the above an orientation programme on **'Soft Skills, Interviews and Personality Grooming'** being the need of the hour was emphasised and conducted at the **S.S.Khanna Girls PG College, Allahabad** giving the students the right opportunity at the right time, and at the right place.

### **Training was provided on the following topics**

#### **1. Making soft skills your core strength**

It is all about the ability to deal with people hence an overview on how to acquire soft skills and its importance was effectively dealt with.

#### **2. Resume and Cover Letter**

The face of the corporate world and the way business is conducted has drastically changed during the 21<sup>st</sup> Century. Likewise, the level of competition in Job market has risen exponentially. *The programme was intended to* guide the students through the daunting process of compiling ALL of the resume data, organizing it, and finally properly packaging it. *The training programme analyzed* all popular formats and showing you how to choose the most effective one—the one that will get you the interview call. Students were guided on how to stitch a tailor-made effective Resume in order to get an interview call. They were informed about the importance of an effective Resume

#### **3. Effective Interview Techniques**

Students were given various tips on Interview Etiquettes and Techniques and were informed about the questions one may encounter during the interview, in one form or another. These relate to questions **about yourself, what you have been doing and what you want to do in future.**

#### **4. Group Discussion**

A detailed session was conducted on the students to give them the real feel and how carry yourself in a Group Discussion and the expected questions were dealt at great length with the possible answers for the benefit of the students.

#### **5. Dress code, Body language and Gestures**

Proper dress code for interview, difference between formal and informal was discussed in detail besides proper hygiene, use of effective and positive body language and gestures and interview etiquettes.

#### **6. Self- Confidence**

The programme ended with an advice on how to be confident and how to remain so throughout your life, how to choose a positive thought, how to set your goals and how to be an achiever.

Lastly it will not be out of place to mention that the student response and the feedback was excellent.

**The programme was conducted by Mr. Vibhava Bajpai** who having broad experience in all facets and having acquired excellent administrative, organizational and teaching skills to match with the best in the business over the years, has also been a guest faculty in a number of leading institutions and degree colleges.

## Tally Workshop 2021-2022

Total no of Students : 33

Trainer : **Mr. Mohammad Zaid, from UPTEC Computer consultancy, Prayagraj.**

A two-month Tally Workshop was conducted under the aegis of UGC CPE Phase II from 18th February, 2021. 33 students were enrolled for this two-month workshop. Students were given the training of Tally ERP 9 version. The workshop was conducted both in online and offline mode. **The expert trainer for the workshop was Mr. Mohammad Zaid, from UPTEC Computer consultancy, Prayagraj.** He is an expert trainer having many years of experience in training students at UPTEC. He has expertise in various aspects of Tally and has worked on various tally versions (from version 6.0- GST ready to Tally Prime) till now.

The topics covered under Computerized accounting and Tally. ERP 9/ Prime are as follow –

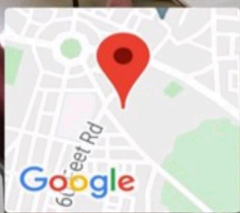

- Company and Account creation
- Voucher types
- Preparation of reports
- Introduction to accounts with inventory
- Inventory based report
- Concept of GST
- Tax Deducted at Source

Workshop was initially conducted in online mode and later it was shifted to offline mode. During Offline classes participants of the workshop were given more time for practicing. During the workshop, various online, as well as offline assignments, were given to students to formally assess their learning ability.

### The outcome of the workshop :

After attending two months Tally workshop Students will be able to

- Understand the concepts of business accounting.
- Maintain records in Tally.
- Do computerized accounting.
- Maintain reports with the help of Tally Software
- Understand the concept of GST and TDS

DigiLocker aims at 'Digital Empowerment' of the citizen by providing access to authentic digital documents to the citizen's digital document wallet. It provides an account in the cloud to every Aadhaar cardholder to access their important documents or certificates including driving license, vehicle registration, academic certificates in digital format. We carry important documents such as Aadhaar cards, driving licenses and PAN cards in our wallets. We carry them if need to present documents at any time. It's risky since you could misplace them. It isn't just an inconvenience, your personal information can be at risk, if they fall into the wrong hands. **Fortunately for us, DigiLocker is.**

**Extension Activity***“Excellence is to do a common thing in an uncommon way.” – Booker T. Washington***Plantation .**

To sensitize students towards the need to preserve our environment and ecology, tree plantation drives are organized in the college from time to time. In SS Khanna Girls Degree college such a drive was held under the aegis of Environmental Awareness programme & Personality Development Programme of UGC- CPE Phase-II, from 25 July 2021 to 30 September 2021. The main objective of this extensive Plantation Programme is to commemorate the occasion of ONE STUDENT ONE TREE as per directives of respected external members of UGC- CPE Phase-II under supervision of Dr Meenu Agrawal, chairperson UGC college committee. The program was convened by Dr Anuradha Singh, convenor CCEA and Dr Harish Kumar Singh, Convenor CCPD. The event was begun with the motivation message by Principal Prof Lalima Singh. She focused on the need for the plantation of trees to fight against climate change, deforestation, global warming and urged the students and faculty members to contribute wholeheartedly to the mission of ONE STUDENT ONE TREE. Near about 100 students and faculty members participated enthusiastically and creative manner. They shared their videos and photos while performing the activity and uploaded it on their Facebook account and tagged the college Facebook page. Students were highly enthusiastic to make it a big success. Every step of the programme was appreciated by the college management, local public and parents. The programme created a great stir among the general public too with the message “**Nurture Nature For a Better Future**”.

**Celebration of World Ozone Day**

CCEA 2021 (Under UGC-CPE, Phase II) of S.S. Khanna Girls' Degree College, Prayagra and Department of Chemistry (under strengthening component of DBT Star College Scheme) and j jointly organized an Environmental Awareness Quiz on the theme: “**Ozone for Life: 36 Years of Ozone Layer Protection**” from 13 September 2021 to 26 September 2021. This quiz was attended by 127 college students of different streams and all the participants received e certificates.

‘**Ozone for life**’ is the theme of the UN General Assembly to celebrate 35 years of global cooperation in protecting the ozone layer. To augment the ardour, the Environmental Awareness programme & Personality Development Programme (UGC- CPE Phase-II), organized a poster and essay competition. The competition was aimed to escalate the awareness and boost the alacrity of the students in addressing this global emergency. Around 25 students participated in an essay writing competition and 35 teams presented posters that were eloquent in educating us on how to phase down the hazardous practices of humans that jeopardize the very existence of our planet earth.

## Certificate Course for Environmental Awareness (CCEA-2021)

**Background:**

Environmentalism is an ideology that evokes the necessity and responsibility of humans to respect, protect, and preserve the natural world from its anthropogenic (caused by humans) afflictions. Environmental awareness is an integral part of the movement's success. By teaching our friends and family that the physical environment is fragile and indispensable we can begin fixing the problems that threaten it. Numerous resources are available "to promote environmental awareness: group teaming (in or outside of class), informational and inspirational seminars and short-term course, such as S. S. Khanna Girls' Degree College is organizing "Certificate Course for Environmental Awareness (CCEA-2021) a project of UGC, Under CPE Phase II. The Dreamer Program, and environmental books and brochures are just a few of the tools that can get you involved in promoting the environment.

**Project Goal:**

To promote the long-term conservation through 'wise use' of the forests, woodlands and wetlands, such that biodiversity is conserved, critical ecological functions are maintained, renewable natural resources are used sustainably and the livelihoods of the area's inhabitants are secured and enhanced.

**Objectives:**

- To promote the integration of environmental conservation and sustainable development through envi-

ronmental planning.

- To promote the sustainable use of natural resources and enhance the livelihoods of local communities by implementing sustainable pilot development activities based on wise use principles.

- To promote awareness of the values of forests, woodlands and wetlands and the importance of wise use at village, district, regional and central government levels, and to influence national policies on natural resource management.

**Outcome of this course:**

This Environmental Awareness Training course was a great idea to share with the students who created awareness for conservation of our environment as well as climate. In this program student learn about different climatic factor for environmental pollution and how it can be controlled by human activity and awareness. For extension activity Students created posters, designs, models, set ups, local dishes, sketches, (of neighborhood/ different places visited) using variety of local/waste material and writes poems/ slogans/travelogue etc. This extra curriculum activity will help him to improve knowledge about "Swachh Bharat Abhiyan".

**No. of Students Joined on Google Classroom: 26**

**Introduction to environmental studies****Environmental Science and its Problems****Ecosystems:**

- What is an ecosystem? Structure and function of ecosystem.

Energy Flow in an ecosystem;  
Food chains, food webs

Aquatic ecosystem, Lake ecology

**Environmental Policies & Practices**

Climate change, Global warming

Ozone layer depletion, acid rain

Impacts on human communities and agriculture.

**Environmental Pollution**

- Environmental pollution: types, causes, effects and controls

- Air, water, soil and noise pollution etc.

- Nuclear hazards and human health risks

- Solid waste management

Bioremediation

**Water and Food Born Diseases****Air and Soil Born Diseases****Medicinal Plants an overview****Application of Medicinal Plants in human life****Field work/Lab work**

**Identification of different pollutant source**

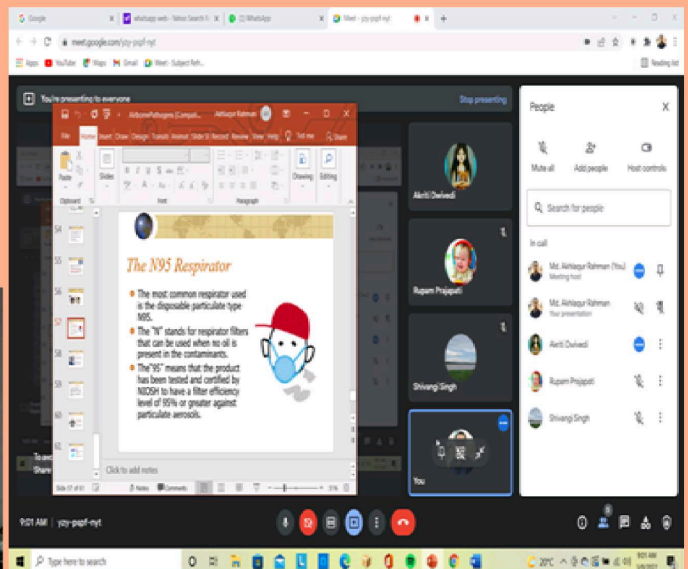

**Case study of site-specific water pollution**

Certificate Course for Environmental Awareness (CCEA-2021)

## Extension Activity

*"Excellence is not a gift, but a skill that takes practice"***The seven-day Hands-on Clay Modeling Workshop "Clay Stories"**

organized by CPE Phase unit of UGC Committee  
with the Department of Painting and Favicril.  
47 students of the college participated in the workshop.

To expose the hidden talent of the students through the medium of colours, provide them with a platform to showcase and enhance their creative skills in designing and pattern making, The seven-day, Hands-on Clay Modeling Workshop "Clay Stories" was organized under the Environmental Awareness (CCEA-2021) and Personality Development (CCPD-2021) program UGC CPE-II scheme in collaboration with the Department of Painting and Favicril.. The workshop culminated as an exhibition on the premises of the college on 02 November 2021 on the occasion of the Diwali festival. The exhibition was inaugurated by the college management on the auspicious occasion of Dhanteras Puja organized by the Saraswat Khatri Pathshala Society of the college. Mr. Ravi Verma; Artists and Managers; Pidilite India Limited, Gorakhpur and Mrs Anjali Saxsena were the resource persons of the workshop. Beautiful artworks and lamps etc. were made by the students of the college in the exhibition. College students, teachers, parents and staff members were overwhelmed to see such beautifully handcrafted pieces. Principal Prof. Lalima Singh, Dr. Neerja Sachdeva, Dr. Meenu Agrawal and Dr. Manjari Shukla were included in the jury. The workshop was coordinated by Dr. Harish Singh, Dr. Anuradha Singh and Dr. Sangeeta Gautam.

**Outcome –**

The items created for the exhibition involved almost no cost as most of the materials used were waste items (such as CDs, plastic bottles, pieces of cardboard, etc.) and were brought by the students from their homes. 47 students of the college participated in the workshop.

This workshop not only **provided a platform for the expression of innovative ideas but also provided an entrepreneurial opportunity to the students**

**Award –**

The best artworks were also awarded in the workshop.

- Rishika Verma (MA) won the first prize,
- The second prize was won by Faiza Afzal (MA) and
- The third prize was won by Vanshita Agarwal (BA).

All the students got the certificate of participation.

### **Field Visit to Bioved Research Institute of Agriculture & Technology and Sciences (BRIATS) Shringverpur, Prayagraj**

**Resource person: Dr. Brijesh Kant Dwivedi, Director,** Bioved Research Institute of Agriculture & Technology and Sciences (BRIATS) Shringverpur, Prayagraj.

**About the Institute:**

Bioved Research Institute of Agriculture & Technology and Sciences (BRIATS) Shringverpur, Prayagraj is working since last 28 years in different fields of agriculture for providing security, surety and accountability in different fields of agriculture for monthly income through the demonstration and training of need based, resource full, recent advanced, eco-friendly technologies, conserving natural resources in the field of lac cultivation, fresh water pearl culture, soil testing training programmes, nematode problems and their management, bullock operated pumping set, flour mill, chaff cutting and thresher, value addition of bio-resources and agri-waste materials with joint use of lac for domestic use, hi-tech nursery, spirulina and azolla cultivation and its value addition, medicinal and aromatic plants cultivation and its value addition, post-harvest technology, IPM & INM technology, tissue culture technology, integrated fish-poultry and duck farming, smart dairy farming system and environmental conservation programs. For attracting and retaining youth in different fields of agriculture, Bioved Research Institute of Agriculture Technology & Sciences, Mohrab, Ram van Gaman Road, Shringverpur, Allahabad has started B.Sc. (Ag) courses since 2018-19 and affiliated to Allahabad State University, Allahabad for providing quality and practical education so that cent percent passed Agri-graduates will be placed to get attractive salary and to help farmers in and around the college residing in different villages. In this way self confidence will be created among the farmers for getting income in many folds in different fields of agriculture.

**Number of Student Participants:** 24

**Number of Faculty Participants:** 7

**Mode of Session delivery:** Offline

**Objective:**

- To prompt the students to think with the new innovative skills and ideas.

Giving overview of different project and operational mechanism to the student and faculty members of the institute.

**Benefit in terms of learning/skill/knowledge obtained:**

Students observed that how to minimize the risk in agriculture by retaining and attracting maximum youth in agriculture, to develop a small entrepreneurship in different fields of agriculture at village level for rural prosperity and income security through the utilization of local available, natural resources by the dissemination of recent advanced, need based, resourceful, eco-friendly and sustainable technologies at grass root level by trained resource persons in different fields of agriculture.

Students benefited with the knowledge and skill development through Lac Cultivation and its value addition, skill development in Soil Testing Programme, skill development in the management of Plant Parasitic Nematodes, skill development in Fresh Water Pearl Culture Technology, skill development through Spirulina Cultivation and its value addition, skill development through Hi-tech Nursery Farming, skill development through Plant Tissue Culture, skill development in integrated Fish, Poultry and Dairy Farming, Skill development through Bioresources and Agri waste materials & its value addition, skill development through Bamboo Based Crafts, skill development through Kaushal Parsikshan, skill development through Bio compost, Vermicompost and NADEP compost.

Session	Time	Programme
Discussion Session	09:00-09:30 AM	<b>Interaction with Participants</b> Dr Anuradha Singh/Dr Parijat/Dr Mukesh Panth/Dr Sanjay Sharma
Technical Session-I	09:30-10:30 AM	<b>Plagiarism, Its causes and its avoidance</b> Prof.M.P.Satija UGC Emeritus Fellow, Department of Library & IS Guru Nanak Dev University, Amritsar Moderator : Mr. Mohit Garg
	<b>Feedback Form-I</b>	
Technical Session-II	10:30 AM-11:30 AM	<b>Reference Management System (using Mendeley)</b> Mr. Mohit Garg Assistant Librarian IIT, New Delhi Moderator : Dr. Sanjay Sharma
	<b>Feedback Form-II</b>	
Technical Session – III	03:30-04:30 PM	<b>Being Ethical, Being Researcher</b> Dr. Navneet Sharma Assistant Professor Central University of Himachal Pradesh Moderator : Dr. Jaishanker Singh
	<b>Feedback Form-III</b>	
Technical Session-IV	04:30-05:30 PM	<b>Smart Searching and Literature Review Tools</b> Dr. Mayank Yuvraj Central University of South Bihar Moderator : Dr. Anuradha Singh
	<b>Feedback Form-IV</b>	
Practicum Session	07:00-09:00 PM	<b>Practice Assignment /Sessional Assessment</b>

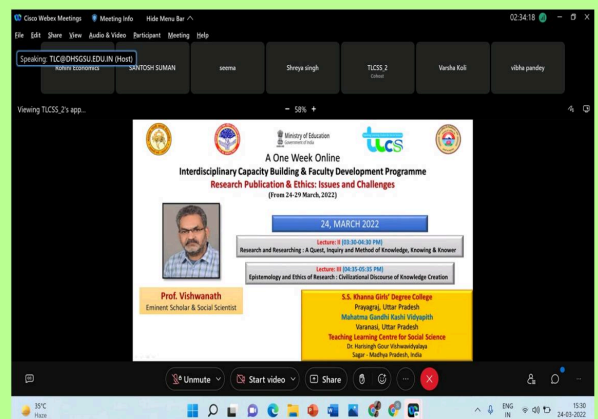

### First Technical Session

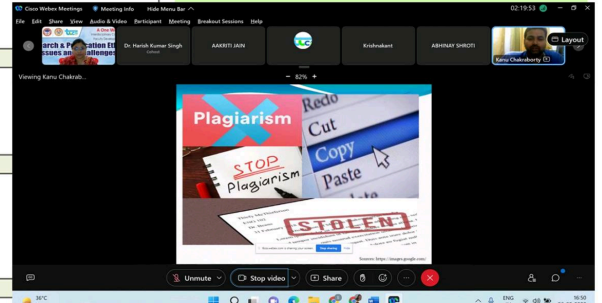

### Second Technical Session

Session	Time	Programme
Discussion Session	09:00-09:30 AM	Interaction with Participants Dr Anuradha Singh/Dr Parijat/Dr Mukesh Panth/Dr Sanjay Sharma
Technical Session-I	09:30-10:30 AM	Research Metrics (Author) Mr. Mohit Garg Assistant Librarian Indian Institute of Technology Delhi Moderator : Dr. Sanjay Sharma
	Feedback Form-I	
Technical Session-II	10:30 AM-11:30 AM	Research Metrics (Journal) Mr. Mohit Garg Assistant Librarian Indian Institute of Technology Delhi Moderator : Dr. Sanjay Sharma
	Feedback Form-II	
Technical Session – III	03:30-04:30 PM	Citation Databases : Scopus & Web of Science Mr. Manu TR Assistant Librarian Central Library, Indian Institute of Technology Delhi Moderator : Dr. Harish Kumar
	Feedback Form-III	
Technical Session-IV	04:30-05:30 PM	Use of Plagiarism Software: Turnitin & Urkund Mr. Kanu Chakraborty Assistant Librarian Central Library, Indian Institute of Technology-BHU Moderator : Dr. Anuradha Singh
	Feedback Form-IV	
Practicum Session	07:00-09:00 PM	Practice Assignment /Sessional Assessment

Session	Time	Programme
Discussion Session	09:00-09:30 AM	Interaction with Participants Dr Anuradha Singh/Dr Parijat/Dr Mukesh Panth/Dr Sanjay Sharma
Technical Session-I	09:30-11:00 AM	Reporting Data on Social Science Research- Ethical aspect Dr. Geeta Kashyap Assistant Professor Department of Media Studies CHRIST (Deemed to University), Bangalore- 560029 Moderator : Mr. Mohit Garg/Dr. Anuradha Singh
	Feedback Form-I	
Technical Session-II	10:30 AM-11:30 AM	Off Day
	Feedback Form-II	
Technical Session – III	03:30-04:30 PM	Representation and Text: Methodological and Ethical issues in Research Prof Suneeta Mishra University of Delhi
	Feedback Form-III	
Technical Session-IV	04:30-05:30 PM	Off Day
	Feedback Form-IV	
Practicum Session	07:00-09:00 PM	Practice Assignment /Sessional Assessment

Session	Time	Programme
Discussion Session	09:00-09:30 AM	Interaction with Participants Dr Anuradha Singh/Dr Parijat/Dr Mukesh Panth/Dr Sanjay Sharma
Technical Session-I	09:30-10:30 AM	Open Access Publications and tools for Researchers Dr. Shiv Shakti Ghosh Assistant Professor Faculty of Library and Information Science ICFAI University Tripura, Agartala 799210 Moderator : Dr. Sanjay Sharma/Mr. Mohit Garg
	Feedback Form-I	
Technical Session-II	10:30 AM-11:30 AM	Open Science for Research Sourav Debnath Assistant Librarian National Institute of Technology Tiruchirappalli, India – 620015 Moderator : Dr. Sanjay Sharma/Dr. Anuradha Singh
	Feedback Form-II	
Technical Session – III	03:30-04:30 PM	Research Publications and how to identify Fake/Predatory/Cloned journals Dr. Sumit Narula Deputy Dean Research (Publications and Citations) Amity University Gwalior Moderator : Dr. Harish Kumar
	Feedback Form-III	
Technical Session-IV	04:30-05:30 PM	Research Publications and how to identify Fake/Predatory/Cloned journals Dr. Sumit Narula Deputy Dean Research (Publications and Citations) Amity University Gwalior Moderator : Dr. Harish Kumar
	Feedback Form-IV	
Practicum Session	07:00-09:00 PM	Practice Assignment /Sessional Assessment

Capacity Building & Faculty Development Programme for Scholars/Faculty in Higher Education  
(From 24-29 March, 2022)

RPE- Day-VI (Tuesday, 29 March, 2022)

Webex Joining Link: <https://tlcss.webex.com/tlcss/j.php?MTID=mb10e3b866e50fd9762d0df3579f4bfbc>

Meeting ID: 2552 658 7656

Passcode: RPE@2022

### Research and Publication Ethics: Issues and Challenges

Session	Time	Programme
Discussion Session	09:00-09:30 AM	Interaction with Participants Dr Anuradha Singh/Dr Parijat/Dr Mukesh Panth/Dr Sanjay Sharma
Technical Session-I	09:30-10:30 AM	Research Writing-I Charles Varghese (PhD) Dept. of Sociology & Social Anthropology Indira Gandhi National Tribal University (IGNTU) Moderator : Dr. Vikram Singh, JNU
	Feedback Form-I	
Technical Session-II	10:30 AM-11:30 AM	Research Writing-II Charles Varghese (PhD) Dept. of Sociology & Social Anthropology Indira Gandhi National Tribal University (IGNTU) Moderator : Dr. Vikram Singh, JNU
	Feedback Form-II	

The creation and dissemination of knowledge through research is one of the core functions of higher education institutions. Apart from generating new knowledge, institutions have the responsibility of developing technologies useful for mankind. Lack of adequate infrastructure, resource constraints, lack of motivation coupled with a few other factors results in low-quality research. A synergized research and academics produce high-quality manpower.

With this aim A One Week Online Interdisciplinary Capacity Building & Faculty Development Programme on Research & Publication Ethics: Issues and Challenges (24 - 29 March 2022) jointly organized by Sadanlal Sanwaldas Khanna Girls' Degree College (A Constituent College of University of Allahabad; Prayagraj, Uttar Pradesh) Under Teacher Enrichment Program of CPE, Phase II (UGC); Mahatma Gandhi Kashi Vidyapith Varanasi, Uttar Pradesh Teaching Learning Centre for Social Science (Under the Aegis of PMMMMNMTT, Ministry of Education, GoI, New Delhi) Doctor Harisingh Gour Vishwavidyalaya, Sagar (M.P.).

Following the University Grants Commission 543rd meeting held on 9th August 2019, circular (D.O.No.F.1-/2018)(Journal/Care) UGC has also emphasized this kind of Capacity Building Programme/Course to strengthen existing research in quality imperatives

This Faculty Development Programme is an effort to enrich academicians and research scholars with research literacy in general and recent trends in scientific and technical communication in particular. The FDP aims to impart skills to handle different tools and technologies useful during the entire process of research and scholarly communications.

Head	Year	Outcome ( Activities)
<b>Research</b>	Year one 2017-18	<ul style="list-style-type: none"> <li>• Special lecture on “Allahabad School of History” by Prof Heramb Chaturvedi</li> <li>• Special lecture on PROF.B N S YADAV’S APPROACH IN HISTORY WRITING by Prof. O.P.Srivastava</li> <li>• Sir Sayed's birth ceremony by Urdu Department</li> <li>• Special lecture on Gita philosophy by Prof. Rishi kant Pandey</li> <li>• A Two Day <b>National Seminar</b> on ABSOLUTE SWARAJ</li> </ul>

The upgraded laboratories are helping the students to perform practicals more effectively. It will also facilitate research activities.</li> <li>• Camera [01], Refrigerator [01] and Almirahs[10] have been purchased for lab upgradation.</li> <li>• Upgraded and enriched Music and Painting labs are helping students in better presentation and performance of their skills.</li> <li>• Firewall developed for network control and security.</li> <li>• Two Classrooms equipped with Smart Interactive Boards which will make teaching and learning more effective.</li> <li>• 10 Classrooms have been equipped with speakers &amp; overhead/ ear worn mikes to reduce vocal strain and better communication.</li> <li>• T.V. and sound system have been installed for Special Power Point Presentation, Special lectures, demonstrative videos etc.</li> <li>• Reference books [about 1029 books including journals ] and almirahs [05] in library have been purchased.</li> <li>• Photocopier [02] in Library and online database of books in the library is being pursued.</li> <li>• Laptops [ 06] , desktop [01], printers [02+ barcode printer and reader 02] UPS [ 01}, have been purchased.</li> </ul>
<p><b>Softwares</b></p>		<ul style="list-style-type: none"> <li>• Library is automated {Integrated Library Management System (ILMS)} software SOUL 2.0</li> <li>• Firewall</li> <li>• Tally</li> <li>• Quick heal Antivirus</li> <li>• <i>Bilingual I. Card</i></li> <li>• <i>Online Fee payment</i></li> <li>• <i>Extention of 20 GB space for Website</i></li> <li>• <i>Coral Draw to improve and edit graphic design</i></li> </ul>

### Teacher Enrichment

The financial assistance provided under the scheme/head has facilitated upgradation of library and it's automation alongwith with enhancement of internet speed, that has helped the teachers gain wider accessibility to reputed journals eg. N-List and quality literature in their subject and topics of research and teaching. They conducted their projects successfully and were able to publish their research papers and articles in quality journals.

The facilities for research, both in Arts and Science faculty, available in the College were acknowledged well by the University of Allahabad when they granted PH.D programs in 6 subjects to the College.

Upgradation of Labs in Science and introduction of the state of art facilities for students to carry out experiments and research made possible by the scheme led

*Excellence in any department can be attained only by the labor of a lifetime; it is not to be purchased at a lesser price.*

## Teaching

The financial assistance provided by the grant enabled the College teachers to take regular classes online even in the toughest of the time. The smart classroom and projectors installed in \_\_ rooms have diversified knowledge acquisition among the students and at the same time enabled them to handle technology with ease, get access to quality online content and participate in online activities organised by the College.

Even in face-to-face offline classes the teachers have used blended mode for effective discharge of curriculum. The College was able to organise numerous national and International webinars, workshop, quiz and lectures for the benefit of students and teachers as well.

## Extension Activity

### Environmental Awareness

The program in Environmental Awareness has sensitized the students towards cleanliness and maintenance of a green environment, acquire skills in adopting green practices such as saving electricity, abstain the use of plastic, beautification of the campus, and understanding the importance of sustainable development and environmental conservation, practice sustainable use of natural resources.

### Personality Development

The program in Personality Development has facilitated development of student's personality in the cognitive, emotional, social and self-defense domain. Through various workshops, activities and skills training the students have gained confidence in safeguarding one's self, in preparing their resume, participating in employment interviews, and in the art of practicing empathy and emotion. Training in the soft skills has enabled them to be at par with the needs of employment. The Clay Modelling Workshop enabled the students to express their hidden talent and enhance creative skills in designing and pattern making.

Advisory Meeting CPE phase II, Dated 30.10.2020

### Major Achievements of College in last five Years

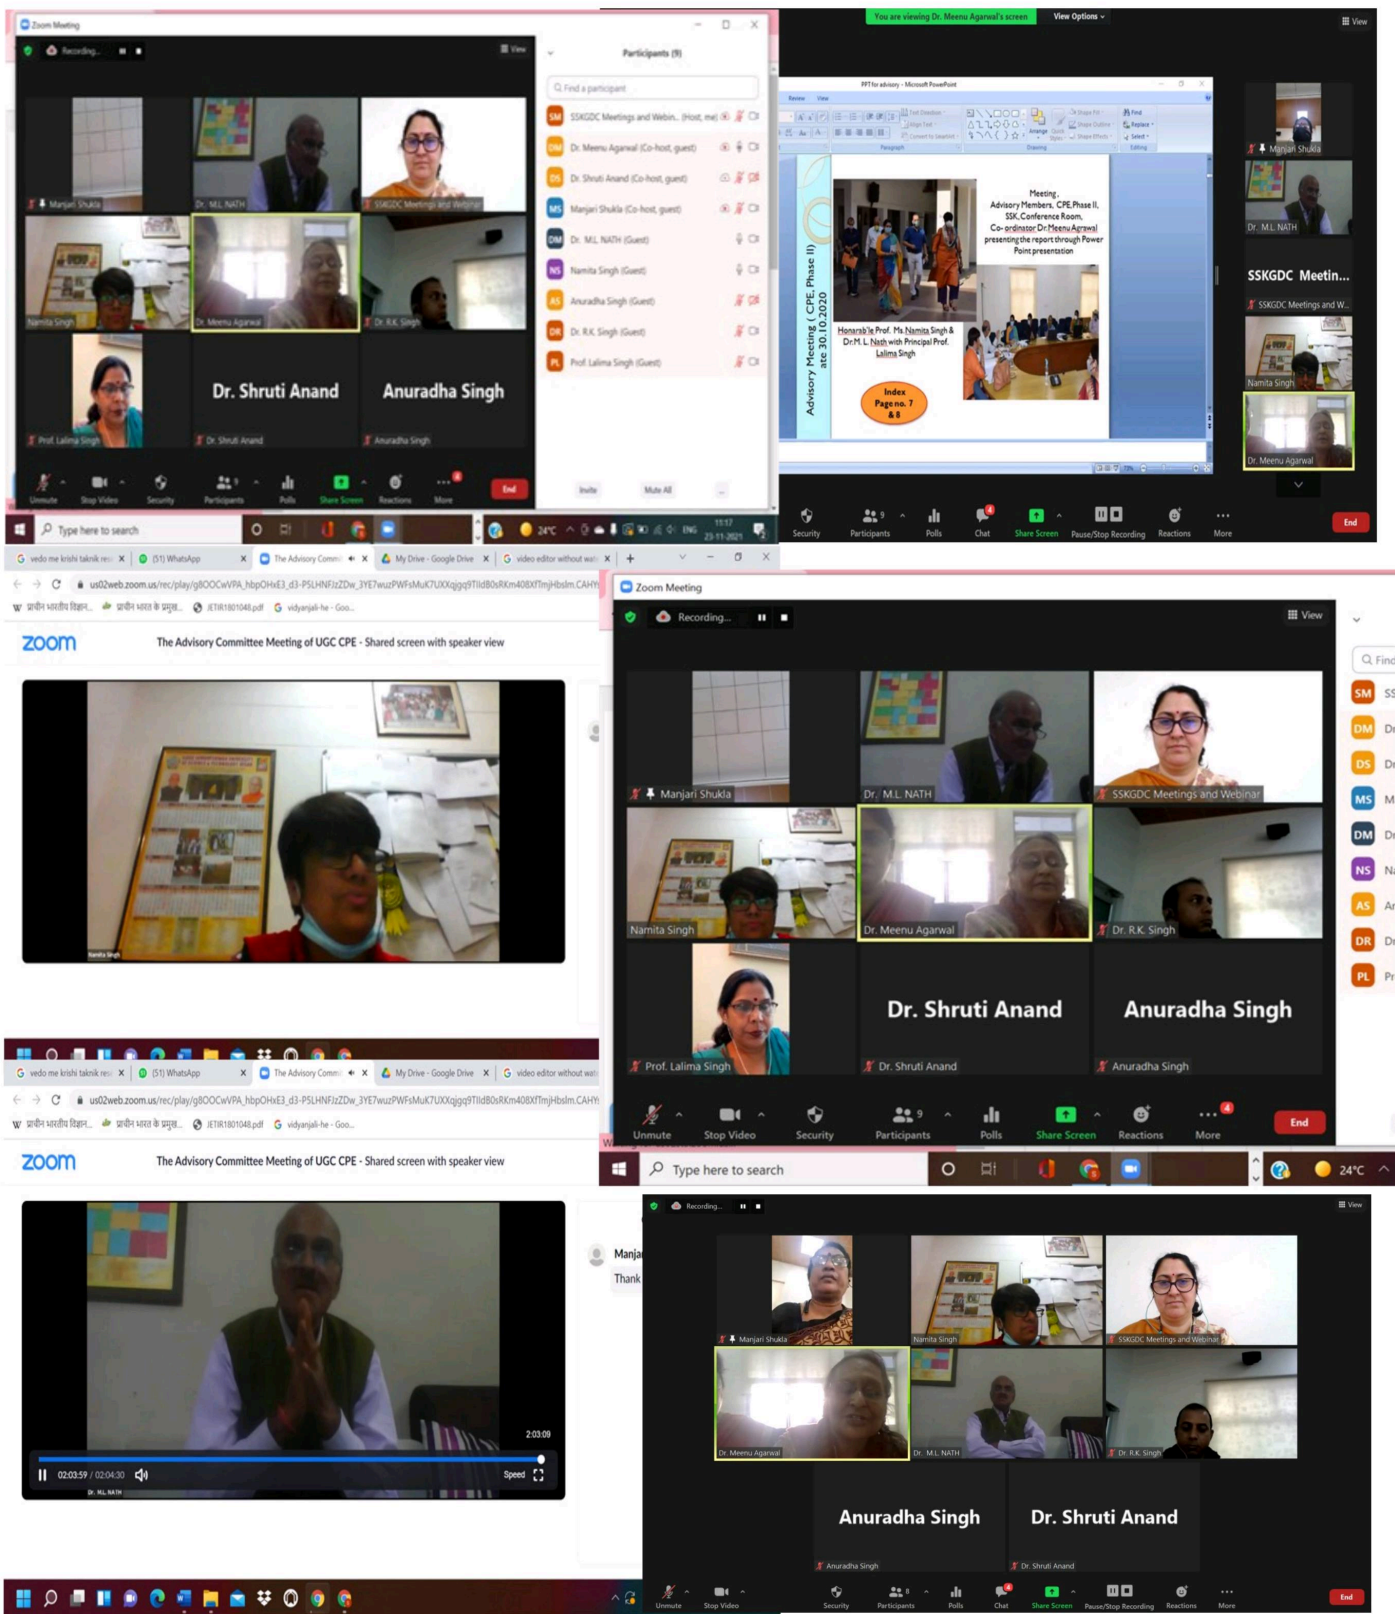

- Introduced New Scholarships for Single Girl Child
- Publication of Research Journal with RNI No. & ISSN No.
- Successfully organizing the Damodarshree National Award for Academic Excellence
- Introduction of Five year Integrated B.A. LLB (Hons) Course and D.Phil Program
- **Research for Ph.D** in Sociology, Hindi, Ancient History, Zoolozy, Botany and Chemistry (AU),
- Introduction of new courses during 2020-21: 1) M.A. in Urdu 2) M.A. in Medieval History
- Introduction of new courses during 2020-21: Computer Science & Biochemistry in B.Sc.
- Signed MoU with IQAC of M.J. College, Bhillai (2019-20)
- Free Summer Coaching for competitive examinations.

### Other stars :

- The College has been sanctioned DST- CURIE grant by the Ministry of Science & Technology, Government of India. Under the Scheme, "Consolidation of University Research for Innovation and Excellence in Women Universities (CURIE)" of the Department of Science & Technology (DST), Government of India, three departments of the college Chemistry, Botany and Zoology will receive research funding from DST
- The college has been awarded A grade with CGPA of 3.09 on four point scale in 3<sup>rd</sup> cycle of accreditation by NAAC which is valid upto 28<sup>th</sup> February 2026.
- Selected under Star College Scheme of DBT, GoI
- Selected under PARAMARSH Scheme of UGC
- Under the guidelines of the Innovation Cell, Ministry of Education (MIC), Institution's Innovation Council (IIC) has been established in 2020-21

### Some Glimpses of Online Advisory Meeting of CPE, phase II held on 30.11.2021

Advisory Meeting (CPE Phase II)
