STATEMENT OF OBJECTS AND REASONS

The Uttar Pradesh Public Services (Reservation for Scheduled Castes, Scheduled Tribes and Other Backward Classes) Act, 1994 has been enacted to provide for the reservation in Public services and posts in favour of persons belonging to the Scheduled Castes, Scheduled Tribes and other backward classes of citizens and for matters connected therewith and incidental thereto. A review of the reservation policy showed that persons belonging to some of the Scheduled Castes and backward classes of citizens only have been benefitted most, and persons belonging to certain other Castes of Scheduled Castes and other backward classes of citizens could not get due representation in public services and posts. It was, therefore, considered necessary and expedient to provide reservation in such way that all the castes included in the Scheduled Castes and other backward classes of citizens be benefitted and be given due representation in public services and posts, by the reservation policy it was decided to amend the said Act to the Scheduled Castes into two categories and the other backward classes of citizens into three categories keeping in view their representation in public services and posts in proportion to their population and provide them reservation in public services and post accordingly.

Since the State Legislature was not in session and immediate legislative action was necessary to implement the aforesaid decision, the Uttar Pradesh Public Services (Reservation for Scheduled Castes, Scheduled Tribes and other Backward Classes) (Amendment) Ordinance, 2001 (U.P. Ordinance no. 18 of 2001) was promulgated by the Governor on September 15, 2001.

Thereafter it has been decided to provide in the aforesaid Act also for,—

(1) the reservation in any year of recruitment to the extent of fifty per cent of vacancies of that year or of the cadre ;

(2) abolition of restrictions of maximum three special recruitment for unfilled vacancies of a reserved category ;

(3) carry forward of unfilled vacancies of any reserved categories as a separate class of vacancies until filled ;

(4) issue of roster on the cadre strength by indication reservation points relating to various reserve categories.

This Bill is introduced to replace the aforesaid Ordinance with the aforesaid amendments.
