Subject: Request for participating and holding a session in Two Day National Seminar on "Sustainable Development in India: Issues and Challenges".

Sir.

With great pleasure, I would like to inform you that Science faculty of S.S. Khanna Girls' Degree College, Allahabad is going to organize a Two day National Seminar on 27th and 28th November, 2018 on the topic "**Sustainable Development in India: Issues and Challenges**". The expected strength of participants is 350. It would be really nice if NASI joins us in this venture and we are planning to allot a technical session on 'Nutrition' to NASI under Science Communication program. Collaboration with NASI will surely enhance the quality of Seminar. Therefore, we are looking forward to receiving your positive response and financial support in this regard.

Thanking you,
With best wishes,

Archana

NATIONAL SEMINAR

ON

SUSTAINABLE DEVELOPMENT IN INDIA: ISSUES AND CHALLENGES

(27th-28th NOVEMBER 2018)

Organised By

SAROJ LALJI MEHROTRA SCIENCE FACULTY

of

S.S. KHANNA GIRLS DEGREE COLLEGE

ALLAHABAD

(CONSTITUENT COLLEGE OF THE UNIVERSITY OF ALLAHABAD
(AWARDED 'A' GRADE BY NAAC WITH 3.46 CGPA))

In Collaboration With

THE NATIONAL ACADEMY OF SCIENCES, INDIA

ALLAHABAD

<p>ABOUT THE CITY</p> <p>Allahabad is one of the oldest cities in India. It is eulogized in ancient scriptures as 'Prayag', 'Prayagraj' or 'Teerthara' and is considered the holiest pilgrimage centre of India. Allahabad stands at the confluence of two of India's holiest rivers, the Ganga and the Yamuna. The confluence is called "Sangam" and a third mythical Saraswati river, believed to flow underground towards the Sangam, gives the confluence, its other name, <i>Triveni</i>. The city hosts the <i>Maha Kumbh Mela</i>, the largest religious gathering in the world, every twelve years and the <i>Aradhna Kumbh Mela</i> every six years. Allahabad Fort, Anand Bhawan, Khuroo Bagh, Hanuman Mandir and Allahabad Museum are a few historical and memorable sightseeing places.</p> <p>ABOUT THE COLLEGE</p> <p>Sadanlal Sarwal Das Khanna Girls Degree College, a constituent college of University of Allahabad was established in 1975 with a vision of empowering women education. The college is highly reputed both for its quality of academics and cultural achievements. S.S. Khanna Girls Degree College is completely equipped with all modern amenities in a beautifully architected building and is popular among students willing to receive quality education through an experienced faculty. With continuous efforts to move towards excellence for imparting women education, college has been reworded as "College with Potential for Excellence" under XI Plan Period by the University Grants Commission. Besides this by the peer team of NAAC, the college has been awarded 'A' grade with 3.46 points on a scale of 4.</p> <p>ABOUT SAROJ LALJI MEHROTRA SCIENCE FACULTY</p> <p>The Saroj Lalji Mehrotra Science Faculty was started in this college in the session 1994-95 with the approval of University Grants Commission and University of Allahabad. The college is indebted to Sar-La Education Trust, Mumbai which has been providing financial assistance for successful running of the Saroj Lalji Mehrotra Science Faculty. Two streams i.e. Biology group with subject combination of Zoology, Botany, Chemistry and Mathematics Group with subject combination of Physics, Chemistry and Mathematics are available in B.Sc. The Faculty has also started M.Sc. courses in 2016-17 in three subjects – Botany, Chemistry and Zoology. In an endeavour to augment the professional abilities of girl students, an add-on one year diploma course in Biotechnology is also running in the college.</p> <p>ABOUT THE NATIONAL ACADEMY OF SCIENCES, INDIA, ALLAHABAD</p> <p>The National Academy of Sciences, India, established in 1930, is the oldest science academy in India. It is located in Allahabad, Uttar Pradesh with the objectives to provide a national forum for the publication of research work carried out by Indian scientists and to provide opportunities for exchange of views among them. NASI envisions the cultivation and promotion of Science & Technology in all its branches through promoting scientific and technological research related to the problems of societal welfare; publication of proceedings, journals, memoirs, transactions and other works as may be considered desirable, organising meetings and holding discussions on scientific and technological problems.</p>	<p>ABOUT THE SEMINAR</p> <p>Sustainable development is the development that meets the needs of present without compromising the ability of future generations to meet their own needs. Sustainable development consists of a long term, integrated approach to develop and achieve a healthy community by jointly addressing economic, environmental, and social issues, whilst avoiding the over consumption of key natural resources. Sustainable development encourages us to conserve and enhance our resource base, by gradually changing the ways in which we develop and use technologies. Keeping this in mind, Saroj Lalji Mehrotra Science Faculty of S.S.Khanna Girls Degree College, Allahabad in collaboration with the National Academy of Sciences, Allahabad proposes to hold a two days National Seminar from 27th to 28th November 2018 to address issues and challenges of sustainable development in the era of fast changing environment. Organizers hope that the discussions and deliberations during the seminar will come out with concrete action plans and remedial measures to some extent to resolve the issue of conflict between environmental degradation and sustainable development.</p> <p>OBJECTIVES OF SEMINAR</p> <ul style="list-style-type: none"> To provide a forum for interaction among professionals, academicians, policy makers and experts to deliberate on issues relating to environment, social and corporate governance. To facilitate sharing knowledge experiences and best practices incorporated by companies for promoting corporate responsibility and sustainability reporting. To increase awareness about the importance of strategies and emerging trend in achieving sustainable growth and development. <p>CRITICAL NEED OF THE HOUR:</p> <ul style="list-style-type: none"> Harmonious coexistence of humans with earth and nature. Render the planet earth greener through conjoint efforts. To balance our economic, environmental and social needs, allowing prosperity for now and future generations. <p>SUB THEMES</p> <p>A. ENVIRONMENTAL ISSUES</p> <ul style="list-style-type: none"> Climate change Clean and affordable energy Biodiversity: challenges <p>B. SOCIO-ECONOMIC ISSUES</p> <ul style="list-style-type: none"> Gender equality Quality education Economic growth <p>C. HEALTH ISSUES</p> <ul style="list-style-type: none"> Yoga and Meditation Clean water and sanitation Nutrition Drug design and development 	<p>GUIDELINES FOR SEMINAR</p> <p>Papers are invited for presentation on the above mentioned thematic areas in English/Hindi. Participants are requested to mail abstract/paper in MS word file format at sciencesseminar@gmail.com with following specifications along with the registration form:</p> <ul style="list-style-type: none"> Abstract length is limited to 300 words. The abstract will be reviewed by a screening committee. On acceptance of the abstract, the author will be required to send a paper not exceeding 3000 words including references. Page margin should be 1" on all sides. Title (Times New Roman 14/Kruti dev 12) should be followed by the name(s) of author(s) with the name of the person presenting underlined and their affiliation (Times New Roman 12/Kruti dev 10). For oral presentation authors will have to present their work in 5 minutes through power point presentation followed by discussion. For poster presentation, poster of size 30" x 42" will be required to be put up on panels provided at the venue. The selected papers will be published as seminar proceedings after peer review. Best posters and best papers will be awarded. The decision of panel will be final and binding. <p>SEMINAR DETAILS</p> <p>ADDRESS FOR CORRESPONDENCE</p> <p>CONVENER NATIONAL SEMINAR SAROJ LALJI MEHROTRA SCIENCE FACULTY S.S.KHANNA GIRLS DEGREE COLLEGE, ATTARSUIYA ALLAHABAD (U.P.)
