

ANNUAL REPORT 2019-20
(1st April 2019 to 31st March 2020)

SADANLAL SANWALDAS KHANNA GIRLS' DEGREE COLLEGE, PRAYAGRAJ

1. INTRODUCTION:

OUR VISION:

To help the girl students discover their innate potentials and promote them towards their personal and social benefits. The college believes in and teaches the philosophy of UBUNTU, which simply translated means, "I am because We are" 'How can one be happy when the others are sad?' Let all of us always have this attitude and spread happiness wherever we go. Let's have a "UBUNTU" Life.....

OUR MISSION:

To empower girl students through a meaningful education with special emphasis on raising levels of awareness and personality development of girl students from the marginalized and socially backward class. We Endeavour to make our students self reliant, confident and economically independent, to achieve this, we organize training courses, seminars and workshops.

It is our firm conviction that education is vital to women's equality empowerment and all round growth and development. Women have been setting benchmarks and breaking new grounds of success thanks to education. Our founders Late Mr. S. N. Kakkar, Prof. D.D. Khanna and Mr. Ashok Mohiley were committed to girls' education. They founded the S.S. Khanna Girls' Degree College to impart quality education to girls' from economically and socially backward sections of society. The college starting with humble beginning in 1975 is today a premier constituent college of the University of Allahabad. The college has five faculties: Arts, Science, Commerce, B.Ed and Legal Studies. All faculties are doing appreciatively well.

Girl students from the society and economically under privileged class have been beneficiaries and the college has definitely impacted their lives.

National Assessment and Accreditation Council has accredited the college with 'A' Grade and CGPA of 3.46 on four point scale in 2015. In 2016 during the XIIth Plan period, the University Grants Commission conferred the college with "College with Potential for Excellence (CPE-Phase II)". At present the college runs professional courses in Office Management and Secretarial Practices, Computer 'O' Level and One Year Diploma course in Biotechnology. We are also running Community College, which is sponsored by UGC. In order to enhance the teaching- learning process the college has provision of smart classrooms, high speed internet connectivity and well equipped air conditioned library with Delnet facility.

This year college has been selected under strengthening component of star college scheme (DBT).
