

Annual Report 2017-18

(1st April 2017 to 31st March 2018)

SADANLAL SANWALDAS KHANNA GIRLS' DEGREE COLLEGE, ALLAHABAD

1. Introduction:

With the idea of uplifting the girl education among the weaker sections of the society and rural background, and the need of emancipation of women led Late S.N. Kakkar and Late. Prof. D.D. Khanna to lay the foundation of S.S. Khanna Girls' Degree College, the constituent college of the Central University of Allahabad in the International Women's Year 1975. With the joint collaboration of Late Shri Shyam Nath Kakkar, Shri Shyam Narain Kapoor and Late Shri Ashok Mohiley, the College is successfully running four faculties. i.e. Arts, Science, Commerce and B.Ed.

It is a matter of pride and honour that the National Assessment and Accreditation council has accredited our college as 'A' Grade with CGPA of 3.46 on four point scale in the year 2015.

The college was identified as a "College with Potential for Excellence' under XIth Plan Period by the University Grants Commission. Again, under the XIIth Plan Period, another feather was added by the University Grants Commission in conferring our college as a "College with Excellence" in the year 2016.

The journey of laying the foundation of S.S. Khanna Girls' Degree College has reached its zenith by being upgraded from Graduation to Post Graduation in the Faculty of Arts and the Faculty of Science.

At present in S.S. Khanna Girls' Degree College, Professional Courses in Office Management and Secretarial Practices, Computer "O" Level Course and One year Diploma Course in Biotechnology has helped to augment the professional abilities of girl students. Smart classrooms, Broad Band, well equipped air conditioned library with Delnet facility, Language Hub are introduced for better teaching learning process of the students. Special efforts are made to help the students participate in extracurricular activities to develop a confident personality. The two visits of our former President, His Excellency, Late Dr. A.P.J. Abdul Kalam have inspired us to achieve greater excellence.

The future belongs to those who believe in their dreams and work hard to achieve them. Our efforts in college are geared for this.

2. Thrust Areas:
