Accredited 'Grade A' by NAAC

Research Cell

"The National Education Policy (NEP) 2020 envisages the promotion of quality research within the Higher Education system. Research and innovation are important aspects to enhance quality education by the Higher Education Institutions (HEIs). Societal challenges of our country can only be addressed by having a strong and vibrant higher education ecosystem with an emphasis on research, innovation, and technology development." - **Guidelines for Establishment of Research & Development Cell In Higher Education Institutions, UGC,**

Report - 5 days Orientation Program organized by Research Cell, SSK

A 5 days Orientation Program was organized by Research Cell for PG and Research Scholars enrolled at College in Different Subjects. Objectives and expected outcomes of the orientation program were as follows :

Objectives

- To make the participants aware of the concept of referencing style and research writing - Making of Synopsis and documenting the Literature review
- To develop an understanding of the tools and types of Research, different referencing style, Review of related Literature
- To help them to accommodate updated referencing style in their research work.
- To make them more confident and updated in accomplishing the research work.

Outcomes:

After attending this program participants will be able to:

- To understand and explain – Definition of Research, the concept of research writing, Meaning and importance of Synopsis or a Proposal for Research Project,
- To use the different referencing styles, tools in Research
- To properly accommodate referencing style in their research work and research paper writing also.
- Work more confidently.
- To access the thesis/articles/ papers uploaded on Shodhganga, ShodhSindhu and Shodh Gangotri portal.

Topics covered in these orientation sessions were :

1. **Topic : Forms of Research and Tools of Research** Date 27.9.2023, Mentor Dr. Harish Kr. Singh

2. **Topic : Synopsis – As a Roadmap to Research(part 2)** Date 23.9.2023, Mentor – Dr. Jyoti Baijal
3. **Topic : Synopsis – As a Roadmap to Research** Date 16.9.2023, Mentor – Dr. Jyoti Baijal
4. **Topic : Referencing Style & Research Writing** Date 29.8.2023, Mentor Dr. Ravikant
5. **Topic : Review of Related Literature** Date 11.9.2023, Mentor Dr. Neeta Sahu

Program was Planned, convened, and conducted by Dr. Meenu Agrawal , Chairperson, Research Cell, with cooperation of respective members of Cell under the supervision of Principal . Total no. of 60 to 120 students participated in five sessions. Samvad (interaction) between students and mentors was very fruitful .

The Process of Research

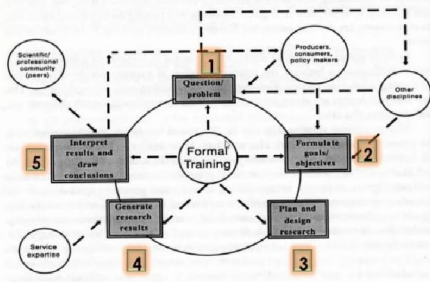

Figure 2.2. Schematic of research process.

What is review of related literature?

A review of related literature (RRL) is a detailed knowledge and findings from existing literature related to the topic of a thesis or dissertation. The Review of related literature involves the systematic location, and analysis of documents containing information related to the research problem. These documents can include articles, monographs, dissertations, other research media.
