

CERTIFICATE COURSE – SWALAMBAN

A two months skill development Course in Dress Designing and Home Craft carrying the 'Learn with Earn' motto was organized by the College from 1st May, 2019 to 30th June, 2019 during the summer vacations. The objective of the Course was to enhance creativity skills in designing and pattern making, to equip students with varied skills of communication and expression of innovative ideas such that would lead to a vocation or employment and specifically as an effort by the College to serve and contribute to community development. 56 girl students belonging to the College and other institutions were imparted training in the skill both in theory and practice. The participants were given training in basic designing, drafting and pattern layout like creating neckline patterns, cutting and tailoring, block printing and smoking by Mrs. Pratibha Pandey, a certified trainer in the skill. The highlight of the course was that the students created varied pouches, bags, organisers and designer dresses from unused old clothes and thus learnt the practice of economy and environmental friendliness.
