About the Webinar

Today the world is dealing with a situation which is unprecedented and unparalleled in the form of COVID-19. Measures and countermeasures to deal with the resultant social, economic and political scenario, both ordinary and extraordinary, which have been adopted till this point of time has somehow only enabled us to walk on a tight rope while looking ahead towards uncertain times. India has been no exception to this. COVID-19 has brought all the economic and industrial activities to a standstill. The subsequent outcome has been laying off of industrial workers/labourers and people engaged in secondary/ancillary economic activities. The aftermath of this situation has open up the Pandora's box and brought the whole nation face to face with the questions that how are the migrant workforce to be dealt with in a balanced way which on one hand curtails the outbreak of the pandemic alongwith keeping economic engines of the country running and on the other hand prevents the situation in spiralling down into a humanitarian crisis. To dwell upon the situation and ponder upon possible solutions the College is organizing a one-day National webinar on "Migration: Role, Reason and Responsibilities", on Monday 8th June, 2020.

Subthemes:

- Who are the Migrants and Why are they Migrants?
- Migrants: The New Social Outcastes
