

# SciVision National Ideathon

The competition focusses on best Ideation with an aim of solving a specific problem that would be beneficial for society. The idea can be in the form of working model or concrete presentation in the field of Life Sciences (Botany, Zoology), Chemistry, Physics, Mathematics, Biochemistry, Computer Science and Biotechnology. The competition is being organized by Saroj Lalji Mehrotra Science Faculty of S.S. Khanna Girls' Degree College (A Constituent College of University of Allahabad) to promote spirit of scientific attitude and temper by engaging young minds through experiential learning.

## Who can Apply?

UG, PG and Ph.D level students from Central Universities, Colleges Affiliated to Central Universities, Universities more than 75 years old, NITs, IITs, IIITs, IISER, Research Institutions of CSIR, DST, DBT, ICAR and ICMR

## Phases of competition

**PHASE I:** The soft copies of ideas/concept of working models in English language will be invited in the relevant fields of Science. The entries will be coded and sent to judges for screening and best 10 entries will be shortlisted for second phase.

**PHASE II :** The shortlisted 10 entries will be invited to college for presentation (through ppt or working model). The presentations will be evaluated by judges and best presentation will be awarded. The evaluation (Total 100 Marks) will be bifurcated as:

- a) Scientific Content: 40 Marks
- b) Mode of Presentation: 20 Marks
- c) Ability of Scientific Understanding to Answer Questions: 20 Marks
- d) Power of Expression and its relevance to Society: 20 Marks

## Prizes

- 1st Prize: Cash Prize of Rupees 1 Lakh and Certificate
- 2nd Prize: Cash Prize of Rupees 50,000/- and Certificate
- 3rd Prize: Cash Prize of Rupees 30,000/- and Certificate
- Best Undergraduate: Rupees 25,000/- and Certificate
- Best Idea by Female participant: Rupees 25,000/- and Certificate
- All the other finalist participants will be provided a certificate and books upto Rupees 1500/- each.

## S.S. Khanna Girls' Degree College

S.S. Khanna Girls' Degree College, Prayagraj established in 1975 (International year of Women) is a prestigious constituent college of the University of Allahabad and has been accredited at "A" grade by NAAC 3rd cycle of accreditation in 2021. Founded by Late Prof. Damodardas Khanna and philanthropists, it aims to provide quality education to women, especially from marginalized communities. From its humble beginnings with 25 students, it has grown into a multi-faculty institution offering undergraduate and postgraduate programs in Arts, Science, Commerce, Education, and Law. From the session 2019-20, the college has also started D.Phil Programme in Arts and Science.

SSKGDC emphasizes academic excellence, holistic development, and social responsibility. Therefore, apart from the degree courses the college also runs Diploma in Bio-technology, Diploma in Fashion Designing (UGC Approved), Computer courses such as an "O' Level, CCC, Tally. Committed to dissemination of research, the College publishes an annual print journal ANVEEKSHA RESEARCH JOURNAL OF SSKGDC, ISSN 2581-8163 with the aim of promoting academic rigour and knowledge building. The College has also introduced Anusandhan Pravah, peer-reviewed multidisciplinary Online Research Journal which serves as a dynamic online platform dedicated to fostering intellectual discourse and advancing knowledge across various disciplines.

## Saroj Lalji Mehrotra Science Faculty

The Science Faculty was started in this college in the session 1993-94 with the approval of the University Grant Commission and the University of Allahabad. For the undergraduate course, two streams i.e. Biology group (119 seats) and Mathematics Group (56 seats) are available. Faculty had started PG courses in 2016-17, in three subjects (Chemistry, Botany and Zoology) having 50 seats in each stream. With continuous efforts to move towards excellence DPhil course has been started in the three departments of the science faculty; viz Chemistry, Botany and Zoology. In the year 2019-20 Chemistry, Botany and Zoology departments were selected under the strengthening component of the star college scheme, Department of Biotechnology, New Delhi. The recent selection of the College under DST-CURIE has come as an icing on the cake to the consistently upgrading research and academic credentials of the College. Under the Scheme, "Consolidation of University Research for Innovation and Excellence in Women Universities (CURIE)" of the Department of Science & Technology (DST), Government of India, three departments of the college Chemistry, Botany and Zoology will receive research funding from DST for holistic improvement of science education with special emphasis on practical training at the postgraduate and research level and thereby nurture excellence in Science education.

SAR - LA EDUCATION TRUST  
MUMBAI

Set up in 1982, Sar-La Education Trust is the dream of a philanthropic couple, Smt. Saroj and Shri Lalji Mehrotra. Amongst many of their humanitarian activities, they aspired to reach out to remote locations in India and promote girl child education. The Trust now operating for more than four decades, in the hands of third generation, is carrying forward the legacy of its founders. It is making educational opportunities accessible to young girls in small towns and promoting and supporting pursuits towards holistic education that targets "the entire gamut of educational spectrum" i.e., formal education, vocational-technical education and skill development, focused on employability. Sar-La Education Trust, Mumbai has generously provided financial assistance to Saroj Lalji Mehrotra Science Faculty. A relay of thanks to the Executive Trustee Sri Chetan Mehrotra and other Trustees of Sar-La Education Trust, Mumbai for their valuable financial and moral support to the institution's pursuit of achieving the goal of providing standard education in Science.

*Sar-La Education Trust is graciously sponsoring the prize money of this Ideathon Competition.*

# RULES & REGULATIONS

- ❖ Eligibility: UG, PG and Ph.D level students from Central Universities, Colleges Affiliated to Central Universities, Universities more than 75 years old, NITs, IITs, IIITs, IISER, Research Institutions of CSIR, DST, DBT, ICAR and ICMR.
- ❖ The entries will be submitted only through google link shared in this brochure.
- ❖ Participant has to submit a softcopy of idea (maximum 2000 words including references, if required) in English.
- ❖ The idea should be in word file and DO NOT WRITE personal information like name, institutional affiliation, address in the word file.
- ❖ The personal details will be filled in the google form only.
- ❖ One candidate can only submit one idea.
- ❖ Submitted ideas must be Original. The ideas will be subjected to deep scrutiny. Copying/Cut paste through AI will result in disqualification.
- ❖ Ideas submitted in teams will not be accepted.

❖ Based on screening, 10 best ideas will be shortlisted by the Judges and announced on the Website on 12<sup>th</sup> March, 2026.

❖ The selected 10 participants will be required to be present and defend their ideas in front of panel of Judges in final round (with ppt presentation/working model) to be held on 28<sup>th</sup> March 2026 in the College campus.
