

Two-Day Workshop on Designing Digital Questionnaire

26th September and 1st October 2024

A two-day workshop on Designing Digital Questionnaire was successfully conducted on 26th September and 1st October 2024 by Dr. Madhu Tandon B.Ed. Faculty. The pupil-teachers enthusiastically participated in this engaging workshop, which aimed to introduce them to innovative aspects of ICT (Information and Communication Technology) in education. The workshop was designed to provide hands-on experience in digital tool creation and practical implementation in teaching-learning processes.

Key Takeaways of the Workshop:

- Creating and customizing Google Forms
- Drafting effective Multiple-Choice Questions (MCQs)
- Collecting responses and analysing feedback data

The sessions enabled the student-teachers to gain practical skills for integrating digital tools into their pedagogical practices. It was a fruitful learning experience that fostered digital competence and confidence among future educators.
