From the Principal's Desk

Dear Students,

Education is the mirror that reflects your uniqueness. The lamp of education not only illuminates itself but also enlightens the entire world. It dispels ignorance and helps in building a thoughtful and moral society. The true purpose of education is not only to teach us to think deeply and seriously but also to shape a good character. With these noble objectives of education in mind, I extend my heartfelt wishes for a bright future to all students. May you achieve the goals for which you are striving. My best wishes are always with you.

"The more that you read, the more things you will know, the more that you learn, the more places you'll go."

—Dr. Seuss

"Small Steps every day lead to big results."

Achievements of the college

S.S. Khanna Girls' Degree College has received approval for the four-year B. Ed program.

"S.S. Khanna Girls' Degree College has received approval from the National Council for Teacher Education (NCTE) to run the four-year Integrated Teacher Education Programme (ITEP). Under this program, three four-year B.Ed courses will be introduced: B.A. B.Ed, B.Sc. B.Ed, and B.Com. B.Ed."

एसएस खन्ना में अब चार वर्षीय बीएड

उपलब्धि

प्रयागराज, कार्यालय संवाददाता। एसएस खन्ना डिग्री कॉलेज में अब चार वर्षीय बीएड इंटीग्रेटेड (एकीकृत) कोर्स की पढ़ाई शुरू होगी। राष्ट्रीय अध्यापक शिक्षा परिषद (एनसीटीई) ने कॉलेज को इस कोर्स के संचालन की अनुमति दे दी है। यह अनुमति कुल 150 सीटों पर दी गई है। इस कोर्स में इंटीग्रेटेड शिक्षक शिक्षा कार्यक्रम (आईटीईपी) लागू किया जाएगा, जो एक नया चार वर्षीय शिक्षक प्रशिक्षण कार्यक्रम है।

इधर (50 सीटों बीए-बीएड) के बाद संबद्ध महाविद्यालय में चार वर्षीय बीएड की मान्यता पाने वाला पहला कॉलेज है। बीएड समन्वयक डॉ. सीम्या कृष्ण ने बताया कि इस चार वर्षीय

एनसीटीई ने 150 सीटों पर संचालन की मंजूरी चार वर्षीय बीएड की मान्यता पाने वाला पहला कॉलेज

पाठ्यक्रम में बीए-बीएड, बीएससी-बीएड और बीकॉम-बीएड में प्रवेश की सुविधा होगी। तीनों ही कोर्सों में 50-50 सीटें निर्धारित की गई हैं। नए शैक्षणिक सत्र से इन पाठ्यक्रमों में प्रवेश प्रक्रिया शुरू होगी।

नेशनल टेस्टिंग एजेंसी (एनटीए) की ओर से आयोजित नेशनल कॉमन इंटेंस टेस्ट (राष्ट्रीय सामान्य प्रवेश परीक्षा) के स्कोर पर प्रवेश होगा। यह पाठ्यक्रम आठ सेमेस्टर का होगा। इसके तीन प्रमुख फायदे हैं। चार साल में बीए-बीएड की पढ़ाई करने के बाद छात्र-छात्राएं पीजीटी (ट्रेड ग्रेजुएट

टीचर) के लिए सीधे योग्य होंगे। इसके बाद बीए में शामिल मुख्य विषय से एमए (परास्नातक) कर सकेंगे। इस पाठ्यक्रम को पूरा करने वाले छात्र को सिर्फ एक साल में एमएड की डिग्री मिल जाएगी। यह एक दोहरी डिग्री कार्यक्रम होगा। जो पूरी तरह से राष्ट्रीय शिक्षा नीति (एनईपी-2020) के अनुरूप है। यह पूर्ण रूप से एक व्यावसायिक कार्यक्रम है, जो 100% रोजगार क्षमता प्रदान करता है। प्राचार्या प्रो. लालिमा सिंह ने समस्त शिक्षकों एवं कर्मचारियों को इस उपलब्धि के लिए हार्दिक बधाई दी और बताया कि यह उपलब्धि न केवल महाविद्यालय के लिए, बल्कि प्रयागराज के गौरव का विषय है। यह एक ऐतिहासिक पहल है जो शिक्षकों के निर्माण की दिशा में एक सशक्त और नवोन्मेषी प्रयास के रूप में मानी जाएगी।

Teacher's Achievements

- ❖ **Dr. Neeta Sahu**, Assistant Professor in the Department of Education, has been selected as a mentor under the National Mission for Mentoring (NMM) Program, an esteemed initiative of the National Council for Teacher Education (NCTE), a statutory body of the Government of India.
- ❖ A patent on "Development of An Ai-Based Clinical Decision Support System for Ayurvedic Drug Dosage Recommendations" published in the Indian Patent office under IPR Act with reference number "202521018486 A"; Authors: Dr. Arpita Maulik Shah, Dr. Sarika Devendra Palve, Dr. Yuwraj Dhanraj Kale, Dr. Dhananjay Vitthal Hange, Dr. Minal Sanket Pajai, Dr. M. Selvam, Dr. G. Selvakumar, Dr Karthikeyan M V, Dr. Sheuli Chakraborty, Dr. B. Karunamoorthy, A. Vijay, Shivam Mishra
- ❖ **Dr Bushra Khan** from Department of Physics had a patent on "A method of stabilizing expansive soils to prevent swelling and shrinkage using cementitious". The patent number is 2025110065 23 A. The international classification: C09K17/06, C09K17/08, C09K17/10, Publication date is 28/2/2025.

AI is a next generation

Climp AI is a next-generation AI-powered video conferencing platform designed to transform virtual meetings by integrating real-time intelligence directly into the call. Unlike traditional platforms like Zoom or Microsoft Teams, Climp AI automates tasks such as live transcription (using OpenAI's Whisper API), real-time summarization, context-aware resource suggestions, task tracking, and follow-up scheduling, all within the meeting environment. Built with a modern tech stack including Next.js, Stream API, Clerk, and Firebase, it ensures scalable, low-latency performance. Its roadmap includes multilingual support, deeper app integrations, customizable AI, and continuous optimization, making Climp AI a dynamic solution for intelligent, future-ready virtual collaboration.

Modern Taxation in India

Modern taxation in India has evolved into a more unified, transparent, and technology-driven system, playing a vital role in the nation's economic development. The Indian tax structure comprises direct taxes like income and corporate tax, and indirect taxes, prominently the Goods and Services Tax (GST), which has streamlined multiple levies into a single national framework. Key reforms include the faceless assessment system, new tax regimes, expanded digital tools like e-filing, and AI for fraud detection. Modern taxation in India is undergoing a transformative phase, with technology and policy reforms driving efficiency, transparency, and accountability. While significant strides have been made, continued efforts are needed to streamline the system, reduce compliance burdens, and enhance public trust.

Key Legal Rights Every Indian Woman Should Know

As women navigate their lives, it's incredibly empowering to know the laws that protect women and ensure women's rights are upheld. Here are some fundamental rights specifically designed to empower women in India: Right to Equal Pay: The Equal Remuneration Act ensures that women cannot be discriminated against based on their gender when it comes to salary, pay, or wages. Women have the right to earn the same as their male counterparts for the same work. Right to Dignity and Decency: If a medical examination is needed for a woman accused of a crime, it must be performed by, or in the presence of, another woman to protect her dignity. Right Not to Be Arrested at Night: Generally, a woman cannot be arrested after sunset and before sunrise, unless there's an exceptional case with the orders of a First-Class Magistrate. Right Against Indecent Representation: Any depiction of a woman's figure in a manner that is indecent, derogatory, or likely to corrupt public morality is a punishable offense. Remember, laws are powerful tools, meticulously crafted to ensure women's dignity, safety, and equality. They are designed to dismantle barriers and foster an environment where women can pursue their aspirations without fear. By being informed about their rights—from equal pay to protection against harassment and violence—women become empowered individuals and advocates for others. Women's knowledge and assertion of these legal provisions are vital steps towards transforming societal norms and ensuring that the spirit of gender equality enshrined in our constitution truly blossoms for every woman in India.

Integrated Teacher Education Programme (ITEP): A Holistic Approach to Education

The Integrated Teacher Education Programme (ITEP) is revolutionizing teacher education by combining theoretical foundations with practical training, empowering educators to be knowledgeable, empathetic, and innovative. This four-year dual-major undergraduate degree program prepares teachers for the evolving school structure, focusing on foundational literacy and numeracy, inclusive education, and cutting-edge pedagogy. By integrating interdisciplinary learning, hands-on training, and essential skills, ITEP graduates are equipped to create engaging learning environments, assess student progress, and adapt to diverse learning styles. In line with the National Education Policy 2020 (NEP 2020), which emphasizes the fundamental principle of "Teachers as the heart of the learning process," ITEP's approach underscores the critical role teachers play in shaping the educational experience. Moreover, ITEP's emphasis on inclusive education and social-emotional learning enables teachers to foster safe, supportive, and inclusive learning environments that promote academic excellence, creativity, and social responsibility. By nurturing the cognitive, emotional, and social growth of students, ITEP graduates are poised to make a lasting impact on the lives of their students, shaping the future of education and society.
